

## REVIEWED ARTICLES

- 189 Financial Performance of a Mobile Pyrolysis System Used to Produce Biochar from Sawmill Residues** by Dongyeob Kim, Nathaniel McLean Anderson, and Woodam Chung
- 198 Operational Influences Affecting Sawlog Weight and Volume Relationships in the Intermountain West** by Jarred D. Saralecos, Robert F. Keefe, Wade T. Tinkham, Randall H. Brooks, and Leonard R. Johnson
- 209 Effects of Grate Size on Grinding Productivity, Fuel Consumption, and Particle Size Distribution** by Sang-Kyun Han, Han-Sup Han, and Joel A. Bisson
- 217 Characteristics of Colorado Forestry Contractors and Their Role in Current Forest Health Issues** by Damon Vaughan and Kurt Mackes
- 226 Comparison between Different Sampling Methods on Gas Chromatography–Mass Spectrometry Analysis of *Pterocarpus santalinus*** by Bing Xu, Tao Zhu, Shui Liu, and Hui Zhang
- 232 A Study of Chainsaw Kickback** by D. Arnold and J. P. Parmigiani
- 239 [Technical Note] A Review and Qualitative Evaluation of Southern Yellow Pine in Japanese Housing and Decking Markets** by Daisuke Sasatani and Daowei Zhang
- 247 Real-World Three-Dimensional Measuring of Built Environment with a Portable Wire-Based Coordinate-Measuring Machine** by Samuel Forsman
- 263 Evaluating Psychological Aspects of Wood and Laminate Products in Indoor Settings with Pictures** by Paul Jiménez, Anita Dunkl, Kerstin Eibel, Elisabeth Denk, Vincent Grote, Christina Kelz, and Maximilian Moser
- 272 Mold and Decay Resistance of Thermally Modified Douglas-Fir Heartwood** by Li Yan and Jeffrey J. Morrell
- 278 [Technical Note] A Tool for Estimating Variability in Wood Preservative Treatment Retention** by Patricia K. Lebow, Adam M. Taylor, and Timothy M. Young
- 285 Reducing Warp and Checking in 4 by 4 Beams from Small-Diameter Tropical Species (*Tectona grandis*, *Gmelina arborea*, and *Cordia alliodora*) Obtained by Turning the Pith Inside Out** by Rafael Serrano Montero and Róger Moya
- 292 Bending Strength of Sandwich-Type Particleboard Manufactured from Giant Reed (*Arundo donax*)** by Morteza Nazerian and Vahid Moazami
