

# Silvae Genetica

ISSN 0037-5349

## TABLE OF CONTENTS

- Cytogenetic polymorphism of english oak (*Quercus robur* L.) seedlings from areas with different levels of anthropogenic pollution.  
By V. N. Kalaev and A. A. Popova ..... 245
- Variation of the quantitative traits in a progeny test of *Abies alba* (Mill.) at the nursery stage.  
By G. Mihai, I. Mirancea and C. Duta ..... 275
- Association mapping for resin yield in *Pinus roxburghii* Sarg. using microsatellite markers.  
By A. Rawat, S. Barthwal  
and H. S. Ginwal ..... 253
- Analysis of absolute nuclear DNA content reveals a small genome and intra-specific variation in Cashew (*Anacardium occidentale* L.), Anacardiaceae.  
By O. M. Aliyu ..... 285
- Evaluation of the growth traits of *Toxicodendron vernicifluum* progeny based on their genetic groups assigned using new microsatellite markers.  
By Y. Hiraoka, S. Hanaoka,  
A. Watanabe, T. Kawahara and M. Tabata .. 267
- Phylogeography and genetic variability of the *Arnica montana* chemotypes in NW Iberian Peninsula.  
By M. Vera, R. Romero,  
M. A. Rodríguez-Gutián, R. M. Barros,  
C. Real and C. Bouza ..... 293
