

European Journal of Forest Research

Volume 130 · Number 1 · January 2011

Special Issue: Forest Vegetation Management in the 21st Century – Current Practices and Future Challenges

Guest Editors: Christian Ammer · Philippe Balandier · Nidas Scott Bentsen · Lluís Coll · Magnus Löf

EDITORIAL

Forest vegetation management under debate: an introduction

C. Ammer · P. Balandier · N.S. Bentsen · L. Coll · M. Löf 1

ORIGINAL PAPERS

The state of forest vegetation management in Europe in the 21st century

N. McCarthy · N.S. Bentsen · I. Willoughby · P. Balandier 7

Canopy effects on vegetation caused by harvesting and regeneration treatments

S. Wagner · H. Fischer · F. Huth 17

Tree regeneration and plant species diversity responses to vegetation control following a major windthrow in mixed broadleaved stands

M. Dodet · C. Collet · H. Frochet · L. Wehrlen 41

Predicting understory maximum shrubs cover using altitude and overstory basal area in different Mediterranean forests

L. Coll · J.R. González-Olabarria · B. Mola-Yudego · T. Pukkala · C. Messier 55

Diversification of *Pinus halepensis* forests by sowing *Quercus ilex* and *Quercus pubescens* acorns: testing the effects of different vegetation and soil treatments

B. Prévosto · Y. Monnier · C. Ripert · C. Fernandez 67

Light-mediated influence of three understorey species (*Calluna vulgaris*, *Pteridium aquilinum*, *Molinia caerulea*) on the growth of *Pinus sylvestris* seedlings

N. Gaudio · P. Balandier · G. Philippe · Y. Dumas · F. Jean · C. Ginisty 77

Long-term response of weed control intensity on Scots pine survival, growth and nutrition on former arable land

J. Hytönen · P. Jylhä 91

Sprouting of *Populus tremula* L. in spruce regeneration areas following alternative treatments

L. Hamberg · M. Malmivaara-Lämsä · I. Löfström · H. Vartiamaäki · S. Valkonen · J. Hantula 99

Does tree seedling growth and survival require weeding of Himalayan balsam (*Impatiens glandulifera*)?

C. Ammer · P. Schall · R. Wördehoff · K. Lamatsch · M. Bachmann 107

Living without herbicides in Québec (Canada): historical context, current strategy, research and challenges in forest vegetation management

N. Thiffault · V. Roy 117
